Dear Parents and Carers

I am writing to inform you of two forthcoming staffing changes at Sledmere, which will take effect from the autumn term.

Miss Milner, who currently teaches Class 1, will be leaving her post as she is relocating to North Yorkshire to live with her partner and will therefore be moving on to a new role. Mr Hughes, our Class 2 teacher, will also be leaving Sledmere in order to take up a position closer to his home.

Both members of staff have made valued contributions to school life, and we are grateful for the care, commitment and enthusiasm they have shown to our pupils. We wish them both every success and happiness in the next stage of their careers.

We have begun the recruitment process and will ensure that arrangements are in place to maintain continuity and high-quality provision for all children. We are confident that the appointments we make will further strengthen our team and add to the existing skills within our federation.

Thank you, as always, for your continued support. Should you have any questions, please do not hesitate to get in touch.

Kind regards

Mr P Richardson
Executive Headteacher
