

Family Help School and Community Practitioners

Hello, my name is Adele and I am your Family Help School and Community Practitioner in the North area. I will be working in your school and within your community to offer a range of advice and support to families with any worries or questions they may have.

Visit our drop-in session for a range of advice, tips, and resources to support you and your family.

- Understanding your child's feelings and behaviours.
- Supporting your child's emotional health
- Find out about other services that are available to support you.

We are here to offer support early, before worries grow and become harder to manage
