Miss Shier

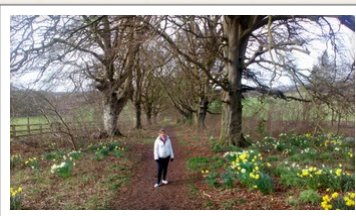

Miss Borrill

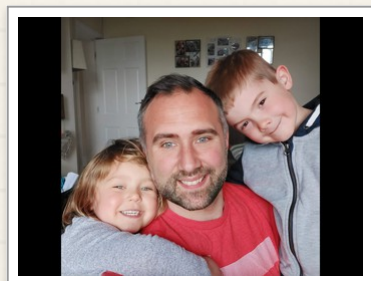

Mr Richardson

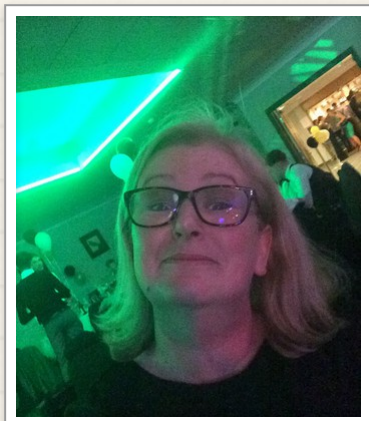

Miss
McLoughlin

Mrs Day

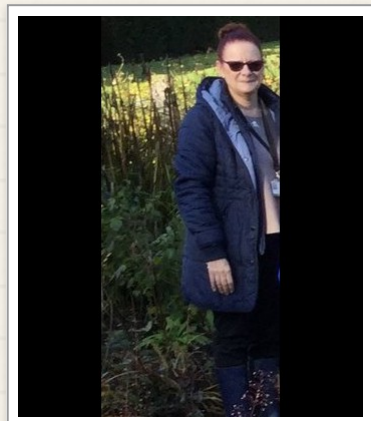

Mr Wood

Mrs Johnson

Revd. Jacki

Mrs Cousins

Keeping Well

We are all missing each and every one of you as well as everyone who is part of our school family. We are busy looking after the children who are in school and looking after our families. We are thinking about you all and look forward to seeing you as soon as we can.

Safe and Happy

At Sledmere and Wetwang Federation we want you to feel safe and happy so you can achieve your absolute best. We want to continue to make sure you all feel safe and happy and support you with your learning, at home and school.

Learning at Home

We have lots of lovely messages about the work you are doing at home. Remember that we have lots of exciting links on our website and we are updating these all the time. Reminder - Purple Mash is our Computing Scheme and you can login and access many fun tasks.

Learning at School

Some of our children have still been coming to school. The teachers and staff who have been working with them at Wetwang have been very impressed by their eagerness, energy and good humour. They have been making many creative things and enjoying lots of exercise and fun.

Governors

Key decisions about both schools continue to be made in consultation with the governors, who pass on their warmest wishes to everyone.

Mr
McCormack

Stay Safe

We look forward to continuing to keep in touch regularly. Stay safe.

All the staff at Sledmere and Wetwang Federation x
