Re: Access to school, use of facilities and access to information

Dear Parent/ Carer

I am writing to you today to ask if you or any of your family who regularly visit our school needs any adaptations to be made to enable you to access the building or use its facilities. Examples may include guide railings, ramps or modified toilets. We want to ensure that we can meet the needs of all members of our extended school family.

At this stage, I am seeking your thoughts in order to prioritise any future work we may need to undertake.

I would also like to give you the opportunity to let me know if you require any of our communication to be provided in a different way. Examples may include enlargement or the use of specific colour fonts or paper.

I am happy for you to email me, for you to write to me or if you'd prefer to share your thoughts personally, I am always happy to meet with you.

Yours faithfully,

Mr Peter Richardson

Executive Headteacher
