

Monday 15th March 2021

Dear Parents and Carers,

Sledmere Primary School will be taking part in this year's **Red Nose Day on Friday 19th March** and **donations of 50p** would be welcome for this fantastic event.

Each class will be celebrating this day in their own bubbles. Children will be invited to tell their friends and teacher something that makes them laugh. Perhaps they have a favourite joke or funny story.

All children are also invited to wear whatever makes them happy.

We are all looking forward to having some fun!

Thank you for your support,

Peter Richardson
