

Learning and growing in the love of God

(John 4:16)

Dear Parent/Carer,

We are really looking forward to seeing your child tomorrow ready for their exciting residential.

A few reminders:

*We'd like them at school by 12.30pm please.

*Children 11 and over need to wear face coverings on the coach and in communal areas at Caythorpe, unless exemptions apply. (This does not include the bedrooms.)

We have slightly amended our plan here in light of the spread of the Delta variant.

1. Please line up with your child along the wall next to the double gates. Face coverings should be worn by parents/carers unless exempt please. Please minimise the number of people who drop off and retain social distancing.
2. The children will be asked to line up in their school lines on the playground. **(Family are asked to remain off the playground.)**
3. Luggage will be loaded onto the coach.
4. The children will be asked to board the coach one school at time.

It would be very helpful to retain social distancing and reduce possible infection spread if parents/ carers could say their goodbyes in the line **prior** to the children moving onto the playground.

Thank you,

The Staff Team.
