COVID Outbreak Contingency Plan – September 2021

When should my child self-isolate or miss school? 	NO - All children MUST attend school unless they are ill. - From 16th August 2021, children under 18 (or double-vaccinated adults) do not need to self-isolate or miss school if a member of their household or a contact, has Covid. - Instead, they will need to book a PCR test but can continue coming to school so long as they have no symptoms and the test result is negative.  YES - If your child develops Covid symptoms at home, they should <u>stay at home</u> and should book a PCR test), NOT a Lateral Flow test. - If your child develops Covid symptoms at school, they will be sent home and you should book them a PCR test. - If your child tests positive for Covid, they will need to self-isolate. The rest of the household does not need to self-isolate if they are under 18 or fully vaccinated – but instead should book a PCR test.
--	---

Community Covid Risk	Description	Actions
 Low Community Transmission. No School Cases.	• There have been no cases of Covid within school for 10 school days. • Cases of Covid locally are low and/ or stable. • Hospitalisation/ Deaths due to Covid nationally are low.	No Covid measures are necessary beyond: • Reminding children of good hand-hygiene. • Ensuring good ventilation encouraged where practical. • Ensuring Children / Staff to stay at home if they have Covid Symptoms (and to book a PCR test). Staff will continue to test themselves using Lateral flow tests until the end of September.
 Rapidly Rising Community Transmission	• No current Covid cases have been recorded at school, but... • Cases of Covid are rising rapidly in the community causing disruption to other local schools. • East Riding / Public Health England issue warnings of expected local/ national infection wave.	• Ventilation of classrooms increased & hand-washing supervised. • Large indoor public performance audience numbers reduced. • Staff-room capacity is reduced. • Whole-school collective worship is replaced classes on a rota for hall use. • Clinically Extremely Vulnerable staff meet with Line-Managers to review their individual risk assessment & discuss additional protection (e.g. use of face coverings) • Children don't move classrooms. • Discuss with East Riding Public Health reverting to lunch in classrooms.
 A single child tests positive	• A single child tests positive for Covid in a class. • There are fewer than 5 cases in the class. • No other year groups are affected.	• The child self-isolates for 10 days. Remote learning will be provided if they are well enough to complete it as outlined on the website or work packs are sent home. • The parents of the child are contacted directly by NHS Track and Trace to establish likely contacts. • Likely contacts will be contacted by NHS Track & Trace and advised to book a PCR Test. The school will contact parents to advise this if close contacts are

		known. • Children do not need to miss school or self-isolate whilst they wait for the result of the PCR test unless they have Covid Symptoms.
--	--	---

Number of Cases:	Description:	Actions:
 5 children or staff within a class test positive within 10 days of each other.	• There have been 5 cases of Covid across a class within 10 days which could mean that Covid is spreading within that group of children.	• As above for each positive case. • The school will discuss the outbreak with East Riding Health / Public Health England and agree strengthening protective measures <u>for 10 school days</u>, including: ○ Encouraging the use of face masks in corridors and communal areas ○ Adapting, limiting or postponing indoor sporting events, trips, open days and performances. ○ Reducing the amount of classes staff work across. ○ Resuming twice-weekly staff lateral flow testing.
 Covid cases continue to increase rapidly within a 10 day period.	• Despite the measures indicated above, Covid cases within the school continue to rise within a 10 day period with multiple classes and staff affected, suggesting that Covid is spreading widely throughout the school.	• Incident Management Team meeting held between the school and East Riding Public Health to agree further measures, <u>for a further 10 school days</u>, including: ○ Re-introducing class bubbles. ○ Reverting to class-based school lunches. ○ Limiting all non-essential visitors to school. ○ Postponing all non-essential events. ○ Re-introducing remote learning for individual classes for 10 school days considered, as outlined on the school website. Sledmere & Wetwang Federation Sledmere & Wetwang - Home Page (sledmereandwetwangfederation.co.uk)

The school will inform parents of any changes to Covid measures should these be needed.
