Tuesday 12th October

Good morning,

A number of children have been playing 'Squid Game' during breaks. We would like to draw your attention to the following:

'Netflix has currently given this new release a TV-MA age rating, which means that those 17 years and younger are not permitted to watch this original series.'

If you do choose to allow your child to watch this can you please have a conversation with them about not mentioning it or discussing it at school.

Thank you,

Peter Richardson

Executive Headteacher
