School Business Manager: Mrs R Headley

4th January 2022

Dear Parents/Carers,

We have made the decision to change our platform for **Remote Learning** if the situation were to arise where children are having to self-isolate or if we have to close class groups.

Unfortunately, we are unable to continue to use the Seesaw platform as we had for the last two years so we have spoken with our IT support team at the Local Authority and they advise us to utilise Microsoft Teams, which staff use already for daily work.

We will add your child to the Class Team e.g. Class 1 Wetwang. You will receive an email via the email address you shared with the Office for general communication.

Using Teams will enable you to support your child's learning in the following ways:

- Posts where you or your child can communicate directly with the teacher. (For general communication please contact the school office.)
- Assignments to be set and returned to the teacher.
- Other work, activities or information to be shared.

We would also like to remind you to download the **School Jotter App** to your phone. This will enable you to browse:

- A calendar.
- News.
- Enable us to share links directly with you.

If you log in to the app you can also receive and send text messages direct to us. In order to log in:

Username = the first letter of your Christian name followed by your surname e.g. prichardson
Your **Password is Wetwang1**

Your faithfully,

Peter Richardson
Executive Headteacher
