Dear Parent/Carers,

I hope this letter finds you and your families well. Throughout this pandemic and especially this academic year, we have been very fortunate to have relatively few cases of COVID within pupil and staff groups. The vast majority of schools both locally and nationally have seen huge numbers and significant impact on learning and the normal function of school. However, we are now feeling the impact of COVID on pupil absence across the Federation, and now unfortunately on staff.

As a result of this impact on staffing levels, I have been left with no option, but to temporarily close Pre-school this week. I will let you know as soon as I am able whether this will also run into next week.

As you will appreciate, we are doing everything we can to keep everyone safe in school and to maintain the quality of educational experience for all. I am confident that this measure will be temporary and thank you for your understanding at this time.

Mrs Headley will arrange to modify invoices for next month to take account of any overpayments. Should you have any questions please call the office.

We are grateful for your continued support.

Your faithfully,

Peter Richardson

Executive Headteacher
