School Business Manager: Mrs R Headley

15th February 2022

Dear Parents and Carers,

We have been very lucky with the numbers of cases of COVID within Wetwang School. Due to an increased number of positive cases across school, we are now implementing our Outbreak Management Plan. We have been in close contact with the Local Authority and have decided to revert back to 'defined groups' (previously known as 'bubbles').

This means that we are keeping the class groups separate during the day (including at lunch and playtimes).

In consultation, we have also taken the difficult decision to close the After-School and Breakfast Clubs **immediately**, in order to keep the children in distinct groups. This means there will be no wraparound care for the remainder of the week. We need to prevent the further potential spread of COVID and this is the most effective way of doing so at this stage.

I would also urge you to continue to use lateral flow testing as means of identifying COVID. Many thanks for your understanding and continued support at this time.

Yours faithfully

Peter Richardson

Executive Headteacher
