School Staffing Structure and Organisation September 2023

Dear Parents/ Carers,

Sledmere CofE VC Primary School continues provide a first-rate education for all. Our school continues to flourish; indeed, we have grown by 11 pupils since September 2022.

We have therefore made the decision to retain our current structure of 3 classes next academic year.

When deciding on class structure each year, considerable planning and discussion is held in relation to the needs of the children, matching these to the skillset of our teaching team. We also consider the professional development and career progression requirements of the staff.

Further to these considerations, and in discussion with staff and governors, I can confirm the school's class structure for September 2023.

Miss Watt is returning to Wetwang, having spent several years at Sledmere. The recruitment process for the new teacher in Class 2 will be complete by the end of next week. We will also be able to share with you the deployment of teaching assistants.

Class 1 – Mrs Cousins + teaching assistant

Class 2 – Teacher - tbc

Class 3 – Miss Shier + teaching assistant

Transition visits to your child's new class and teacher will take place over the coming weeks and we are confident your child will enjoy these opportunities to meet their new teacher.

Yours faithfully,

Peter Richardson – Executive Headteacher
